CONSENT AGREEMENT

RECITALS

In the interest of a prompt and judicious settlement of the above-captioned matter before the Arizona Board of Chiropractic Examiners ("Board") and consistent with the public interest, statutory requirements and responsibilities of the Board and pursuant to A.R.S. § 41-1092.07 (F)(5) and A.R.S. § 32-924 et seq., Eric J. Olsen, D.C. ("Respondent"), holder of license number 6032 to practice chiropractic in the State of Arizona, and the Board enter into the following Recitals, Findings of Fact, Conclusions of Law and Order (Consent Agreement) as the final disposition of this matter.

1. Respondent has read and understands this Consent Agreement as set forth herein, and has had the opportunity to discuss this Consent Agreement with an attorney or has waived the opportunity. Respondent voluntarily enters into this Consent Agreement for the purpose of avoiding the expense and uncertainty of an administrative hearing.

2. Respondent understands that he has a right to a public administrative hearing concerning each and every allegation set forth in the above-captioned matter,
at which administrative hearing he could present evidence and cross-examine
witnesses. By entering into this Consent Agreement, Respondent freely and
voluntarily relinquishes all rights to such an administrative hearing, as well as all rights
of rehearing, review, reconsideration, appeal, judicial review or any other
administrative and/or judicial action, concerning the matters set forth herein.

Respondent affirmatively agrees that this Consent Agreement shall be irrevocable.

3. Respondent agrees that the Board may adopt this Consent Agreement or
any part of this agreement, under A.R.S. § 32-924. Respondent understands that the
Board may consider this Consent Agreement or any part of it in any future disciplinary
action against him.

4. Respondent understands that this Consent Agreement does not constitute a
dismissal or resolution of other matters currently pending before the Board, if any, and
does not constitute any waiver, express or implied, of the Board's statutory authority or
jurisdiction regarding any other pending or future investigation, action or proceeding.
Respondent also understands that acceptance of the Consent Agreement does not
preclude any other agency, subdivision or officer of this state from instituting other civil
or criminal proceedings with respect to the conduct that is the subject of this Consent
Agreement.

5. All admissions Respondent makes in this Consent Agreement are made
solely for the final disposition of this matter, and any related administrative
proceedings or civil litigation involving the Board and respondent.
6. By agreeing to allow the Board to impose the discipline ordered herein, Respondent acknowledges that the Board has evidence from which it could impose discipline under A.R.S. § 32-924 (G).

7. Respondent acknowledges and agrees that, upon signing this Consent Agreement and returning this document to the Board, Respondent may not revoke his acceptance of the Consent Agreement or make any modifications to the document. Any modification to this original document is ineffective and void unless mutually approved by the parties in writing.

8. Respondent understands that the foregoing Consent Agreement shall not become effective unless and until the Board adopts it and the Chairperson signs it.

9. Respondent understands and agrees that if the Board does not adopt this Consent Agreement, he will not assert as a defense that the Board's consideration of it constitutes bias, prejudice, prejudgment or other similar defense in any future disciplinary action.

10. Respondent understands that this Consent Agreement is a public record that may be publicly disseminated as a formal disciplinary action of the Board, and shall be reported as required by law to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

11. Respondent understands that any violation of this Consent Agreement constitutes unprofessional conduct pursuant to A.R.S. § 32-924 (A)(16), “Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of or conspiring to violate any of the provisions of this chapter or any Board order,” and may result in disciplinary action pursuant to A.R.S. § 32-914.

FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of chiropractic in the State of Arizona.

2. Respondent holds License No. 6032 for the practice of chiropractic in the State of Arizona.

3. On January 14, 2015, the Board conducted an Initial Appearance in this matter and found evidence of unprofessional conduct as described in the following Findings of Fact Nos. 4, 5, 6 and 7. Respondent attended the Initial Appearance and was represented by legal counsel.

4. On or about June 18, 2014, the Board reviewed the website vitanya.com ("website") and noted Respondent's advertising was misleading in use of the term "expert consultation." Respondent testified that the website had been created and maintained by Vitanya.

5. Respondent's advertising throughout the website improperly claimed professional superiority in use of the terms "uniquely" and "least invasive and most economical."

6. Throughout the website, Respondent failed to use the initials "D.C." following his name.
7. The Board also found Respondent's use of Zyto bio-scan technology to be inappropriate as a diagnostic tool because it lacked scientific validity and is not accepted within the chiropractic community.
