ACA seeks open access to and utilization of safe, effective, affordable, natural chiropractic care for all through full integration of doctors of chiropractic into the healthcare delivery system. ACA accomplishes this by devoting a substantial part of its resources to issues that affect public policy and legislation, by seeking parity in reimbursement of its members from insurance companies, improving the quality of treatment and by carrying out a dynamic strategic plan to help ensure the professional growth and success of doctors of chiropractic. Fundraising costs associated with raising funds for the legal action fund are included in this category.

4b (Code) (Expenses \$ including grants of \$) (Revenue \$)

Membership Services and Products - ACA devotes a significant portion of its resources to serving its existing members. Services specifically designed as member benefits include a variety of discounts on affinity products, books, brochures and pamphlets for sale that are designed to improve practice management, clinical documentation, and information on various professional developments, and educational seminars for continuing professional education. The costs of retaining members are included in this program.

4c (Code) (Expenses \$ including grants of \$) (Revenue \$)

Publications - The Journal of the American Chiropractic Association (on-line only), ACA News, Week-in-Review and other newsletters published by various councils provide valuable information about ACA's activities and new developments in the field of research, continuing education and reimbursement issues.

(Code) (Expenses \$ including grants of \$) (Revenue \$)
