

NUTRITION AGAINST DISEASE

The Nutri-Care Health Center is a preventive health care facility that helps you fight disease, resist stress & reach your best level of health...

NUTRITIONALLY...without drugs.

Researchers seeking cures for disease & premature aging are looking at our diet and its relationship to:

- | | |
|---------------|--------------|
| HEART DISEASE | HYPERTENSION |
| HYPOGLYCEMIA | ARTHRITIS |
| OBESITY | DIABETES |
| CANCER | OSTEOPOROSIS |
| P.M.S. | DEPRESSION |

At Nutri-Care we develop individual programs to correct your area of risk & nutritional weakness.

We Provide:

- Weight Loss & Stress Management
- Nutrition Counseling & Testing
- Disease Prevention Education
