this Consent Order, the Board may immediately impose any sanction provided for by law,
including but not limited to suspension or revocation of Licensee’s license to practice
chiropractic in the State of Kansas. Licensee hereby expressly understands and agrees that,
at any such hearing, the sole issue shall be whether or not Licensee has failed to comply
with any of the terms or conditions set forth in this Consent Order. The Board

all witnesses, present evidence, testify on his own behalf, contest the allegations, present

Licensee, by signature to this document, waives any objection to the participation of the Board members, including the Disciplinary Panel and General Counsel, in the consideration of this offer of settlement and agrees not to seek the disqualification or recusal of any Board member or General Counsel in any future proceedings on the basis that the Board member or General Counsel has received investigative information from any source which otherwise may not be admissible or admitted as evidence.
