ADMINISTRATIVE COMPLAINT

COMES NOW, Petitioner, Department of Health, by and through its undersigned counsel, and files this Administrative Complaint before the Board of Chiropractic Medicine against Respondent, David J. Golinger, D.C., and in support thereof alleges:

1. Petitioner is the state department charged with regulating the practice of chiropractic medicine pursuant to Section 20.43, Florida Statutes; Chapter 456, Florida Statutes; and Chapter 460, Florida Statutes.

2. At all times material to this order, Respondent was licensed to practice chiropractic medicine in the State of Florida, having been issued license number CH 7634 on or about February 23, 1999.

3. Respondent's address of record is 10450 West Atlantic
Boulevard, Coral Springs, Florida, 33071.

4. Respondent placed an advertisement in the South Florida Sun Sentinel on June 25, 2006, offering a free report about a space age technology for solving back pain without drugs or surgery.

5. Respondent's advertisement made many claims concerning non-surgical spinal decompression which overstated the potential benefits of non-surgical spinal decompression to prospective patients. For instance, the Respondent's advertisement stated that non-surgical spinal decompression was an "amazing space-age medical breakthrough to treat back pain, disc herniations and sciatica." Respondent's advertisement also claimed that "sciatica had puzzled doctors and frustrated patients for years...but now space travel and modern technology may have finally cracked the back pain and sciatica code."

Count One

7. Petitioner re-alleges and incorporates paragraphs one (1) through six (6) as if set forth fully herein.
8. Section 460.413(1)(e) Florida Statutes (2005)-(2006), subjects a chiropractic physician to discipline when a practitioner causes to be advertised, by any means whatsoever, any advertisement which does not contain an assertion or statement which would identify herself or himself as a chiropractic physician or identify such chiropractic clinic or related institution in which she or he practices or in which she or he is owner, in whole or in part, as a chiropractic institution.

10. Based on the foregoing, Respondent has violated Section 460.413(1)(e), Florida Statutes (2005)-(2006), by causing to be advertised, by any means whatsoever, any advertisement which does not contain an assertion or statement which would identify herself or himself as a chiropractic physician or identify such chiropractic clinic or related institution in which she or he practices or in which she or he is owner, in whole or in part, as a chiropractic institution.
Count Two

11. Petitioner re-alleges and incorporates paragraphs one (1) through six (6) as if set forth fully herein.

12. Section 460.413(1)(d), Florida Statutes (2005)-(2006), subjects a chiropractic physician to discipline for false, deceptive or misleading advertising.

13. Rule 64B2-15.001(1)(c), Florida Administrative Code (F.A.C.), states that any advertisement shall be deemed by the Board to be false, deceptive or misleading if it creates false, or unjustified expectations of beneficial treatment or successful cures.

14. Respondent’s advertisements created false or unjustified expectations of beneficial treatment or successful cures in one or more of the following ways:

   a. When Respondent’s advertisement indicated that non-surgical spinal decompression was an “amazing space-age medical breakthrough to treat back pain, disc herniations and sciatica.”

   b. When Respondent’s advertisement stated that “sciatica had puzzled doctors and patients for years...but now space travel and
modern technology may have finally cracked the back pain and sciatica code."

15. Based on the Foregoing, the Respondent violated Section 460.413(1)(d), Florida Statutes (2005)-(2006), by false, deceptive, or misleading advertising.

WHEREFORE, the Petitioner respectfully requests that the Board of Chiropractic Medicine enter an order imposing one or more of the following penalties: permanent revocation or suspension of Respondent’s license, restriction of practice, imposition of an administrative fine, issuance of a reprimand, placement of the Respondent on probation, corrective action, refund of fees billed or collected, remedial education and/or any other relief that the Board deems appropriate.
