On April 21, 2011, a Case Resolution Conference was convened in this matter. Based on negotiations occurring as a result of this Case Resolution Conference, the Respondent agreed to enter into this Consent Order, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Consent and Order.

FINDINGS OF FACT

The Board makes the following findings:

BACKGROUND FINDINGS

1. At all times relevant hereto, the Respondent was and is licensed to practice chiropractic in the State of Maryland. The Respondent was initially licensed to practice chiropractic in Maryland on November 29, 1993, under License Number S01649.
2. At all times relevant hereto, the Respondent operated Chiro Care of Frederick, an office for the practice of chiropractic, at 1050 Key Parkway, Suite 202, Frederick, Maryland 21702.

3. On or about July 31, 2010, the Board received a complaint about the Respondent from a legal representative (the "Complainant") of UnitedHealthcare, a national health insurance company. The Complainant reported that the Respondent's office distributed an advertisement for its services in which it offered to provide "free medical treatment" for all Frederick County school bus drivers who had insurance coverage through UnitedHealthcare, without co-pays or deductibles. The Complainant reported that after reviewing the solicitation, UnitedHealthcare sent a formal, written request to the Respondent that he cease and desist from making such representations in his solicitations.

4. Based on this complaint, the Board initiated an investigation of this matter, the findings of which are set forth infra.

BOARD INVESTIGATIVE FINDINGS

Office advertisement

5. In or around June 2010, a staff person from the Respondent's office distributed an advertisement in the form of a handbill for its services to one or more Frederick County school bus drivers or affiliated employees. The advertisement, which contained the Respondent's office name, address and telephone number, stated the following:

Any Frederick County School Bus Driver with United Health Care can come to our office and receive FREE MEDICAL TREATMENT.
That's right, all physical therapy, chiropractic, x-rays and examinations are FREE. **NO CO-PAYS, NO DEDUCTIBLES.**

(emphasis in original)

6. Thereafter, the Frederick County Public Schools referred the advertisement to UnitedHealthcare. UnitedHealthcare then sent a cease and desist letter to the Respondent, dated July 28, 2010, in which it stated that the Respondent did not have authorization to use UnitedHealthcare’s name or to represent that someone insured by UnitedHealthcare could receive “free medical treatment.” UnitedHealthcare stated that the Respondent’s representation that an individual who was insured by UnitedHealthcare was eligible to receive free medical care was “misleading” and that the “arrangements described in the ad constitute misrepresentations and/or fraud within the meaning of several state and federal laws.”

7. UnitedHealthcare submitted a complaint to the Board about this matter, received on or about July 31, 2010.

8. By letter to the Board, dated August 19, 2010, the Respondent acknowledged that his office sent out the advertisement but claimed that it was only distributed to one person. The Respondent further stated that his office sent out the advertisement without his authorization or approval and that since that time, he ordered that it not be used again.

**Use of an unlicensed chiropractic assistant**

9. Board investigation determined that the Respondent used an unlicensed chiropractic assistant (“Employee A”) to perform physical therapy on the Respondent’s patients for over one year, beginning in or around 2009, and continuing into 2010.
10. The Respondent originally hired Employee A to work for him as a chiropractic assistant ("CA") in his office in or around 1994. Employee A obtained a Maryland CA license on or about August 15, 1995. Employee A continued to work for the Respondent until 1998 or 1999, at which point he left his employment with him. Employee A's Maryland CA license expired on or about March 31, 2001.

11. The Respondent rehired Employee A in or around September 2009. From the time Employee A's Maryland CA license expired in 2001 until the date the Respondent hired him, Employee A had not taken any continuing education credits. The Respondent was aware that as of the date he hired Employee A, Employee A was not licensed as a CA. Thereafter, Employee A performed various activities on the Respondent's patients, including ultrasound, electrostimulation, the placement of hot and cold packs and traction therapy. During this time period, Employee A worked about 14 to 20 hours per week for the Respondent and provided the above treatments to 10 to 20 patients per day.

12. The Respondent's use and distribution of the advertisement referred to above constitutes the following violations of the Act: Solicits or advertises in a false or misleading manner or in any other manner not approved by the Board, in violation of H.O. § 3-313(7); and Violates any rule or regulation in the practice of chiropractic, in violation of H.O. § 3-313(19).

13. The Respondent's use and distribution of the advertisement referred to above constitutes the following violations of COMAR: 10.43.03.03 and 10.43.03.04.

14. The Respondent's employment and use of a non-licensed individual, Employee A, to provide CA services constitutes the following violations of the Act:
Practices chiropractic with an unauthorized person or supervises or aids an unauthorized person in the practice of chiropractic, in violation of H.O. § 3-313(18); and Violates any rule or regulation in the practice of chiropractic, in violation of H.O. § 3-313(19).

15. The Respondent's employment of a non-licensed individual, Employee A, to provide CA services constitutes the following violations of COMAR: 10.43.07.11 and 10.43.07.12.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes as a matter of law that the Respondent violated the following provisions of the Act under H.O. § 3-313: Solicits or advertises in a false or misleading manner or in any other manner not approved by the Board, in violation of H.O. § 3-313(7); Practices chiropractic with an unauthorized person or supervises or aids an unauthorized person in the practice of chiropractic, in violation of H.O. § 3-313(18); and Violates any rule or regulation in the practice of chiropractic, in violation of H.O. § 3-313(19).
