DEPARTMENT OF HEALTH,

Petitioner,

vs.

JACQUELINE K. GONZALEZ, D.C.,

Respondent.

Case No.: 2008-15636
License No.: CH 8653

FINAL ORDER

THIS MATTER came before the Board of Chiropractic Medicine (hereinafter "the Board") at a duly noticed public meeting on April 23, 2010, in Orlando, Florida. Pursuant to the Administrative Complaint, attached hereto as Exhibit A, it was alleged that Respondent violated specified sections of Chapter 460 and Chapter 456, Florida Statutes.

Petitioner was represented by Tari Rossito-Van Winkle, Assistant General Counsel, with the Department of Health. Respondent was neither present nor represented by counsel.

Upon receipt of service of the Administrative Complaint, Respondent submitted an Election of Rights wherein she did not contest the factual allegations contained in the Administrative Complaint and requested a Hearing Not Involving Disputed Issues of Material Fact before the Board.

The prosecuting attorney offered the investigative file into evidence to prove the facts as alleged in the Administrative Complaint and for the purposes of determining penalty. The investigative file was received into evidence and the Board finds that the uncontested facts adequately support the allegations. After a complete review of the record in this matter,
including consideration of the Administrative Complaint, any written evidence or testimony, and any mitigating or aggravating circumstances, the Board makes the following findings and conclusions:

**FINDINGS OF FACT**

1. The allegations of fact set forth in the Administrative Complaint are approved, adopted, and incorporated herein by reference as the findings of fact by the Board.

2. There is competent, substantial evidence to support the Board’s findings and conclusions.

**CONCLUSIONS OF LAW**

1. The conclusions of law alleged and set forth in the Administrative Complaint are approved and adopted and incorporated herein by reference as the conclusions of law of the Board.

2. The violations set forth in the Administrative Complaint warrant disciplinary action by the Board.

3. Based upon the Findings of Fact, the Board concludes that the licensee violated Sections 456.072(1)(c) and 460.413(1)(c), Florida Statutes, by being convicted or found guilty of, or entering a plea of guilty or nolo contendere to, regardless of jurisdiction, to a crime in any jurisdiction that relates to the practice or the ability to practice chiropractic medicine; and Section 460.413(1)(k), Florida Statutes, by making misleading, deceptive, untrue or fraudulent representations in the practice of chiropractic medicine.

4. The Board is empowered by Section 460.413(2) and/or 456.072(2), Florida Statutes, to impose a penalty against Respondent.
THEREFORE IT IS ORDERED AND ADJUDGED, that:

1. **Administrative Fine.** The Board shall impose a fine in the amount of ten thousand dollars ($10,000.00). The fine shall be paid prior to Respondent’s submitting a petition to lift the license suspension. Payment shall be made by certified or cashier’s check or money order.

2. **Suspension.** Respondent’s license to practice as a certified chiropractic physician assistant shall be suspended for minimum period of five (5) years. After five (5) years, Respondent may submit a petition to the Board for reinstatement and appear at the Board meeting at which the petition for reinstatement is considered. The suspension shall continue until lifted by the Board by separate order. The Board expressly retains jurisdiction to impose additional conditions or restrictions on Respondent’s license at the time that the suspension is lifted.

3. **Community Service.** Respondent shall perform one thousand (1,000) hours of community service. Prior to beginning her community service, Respondent shall submit her proposed community service plan to the Compliance Officer who will forward it to the Disciplinary Compliance Chair for review and approval. Documentation of the performance of the community service shall be submitted to the Compliance Officer in the manner directed by the Compliance Officer. The community service hours shall be completed prior to Respondent’s submitting her petition for lifting of the license suspension.

4. **Special Purposes Examination for Chiropractic.** Prior to submitting her petition for lifting of the license suspension, Respondent shall take and successfully complete the Special Purposes Examination for Chiropractic (SPEC) administered by the National Board of
Chiropractic Examiners. Respondent shall send documentation of successful completion to the Chiropractic Medicine Compliance Officer.

5. **Ethics and Boundaries Examination.** Prior to submitting her petition for lifting of the license suspension, Respondent shall take and successfully complete Ethics and Boundaries Examination (E & B) administered by the National Board of Chiropractic Examiners. Respondent shall send documentation of successful completion to the Chiropractic Medicine Compliance Officer.

6. **Probation.** At the time that the license suspension is lifted, Respondent’s license to practice chiropractic medicine shall be placed on probation for a period of **four (4) years.**

The probationary terms are:

a. **Supervision:** Respondent shall practice only under the direct supervision of a Board-approved chiropractic physician, hereinafter referred to as the “monitor.” Respondent shall allow the monitor access to Respondent’s medical records, calendar, patient logs or other documents necessary for the monitor to supervise Respondent’s practice.

b. **Monitor’s Responsibilities:**

   1. For the duration of the probationary period, the monitor shall review, on a monthly basis, **ten percent (10%)** of Respondent’s active patient records for the purpose of ascertaining whether proper care and treatment is provided and proper documentation is maintained. The monitor shall randomly select the patient files to review. In addition to the review of the patient files, the monitor shall review the general office procedures. If Respondent has ten or fewer active patients, the monitor shall conduct a 100% review.
2. Reports. During the entire probationary period, the monitor shall submit, a quarterly report, in affidavit form, which shall include:

   d. A brief description of the monitor’s relationship with Respondent;

   e. A statement advising the Board of any problems that have arisen;

   f. A summary of the dates the monitor went to Respondent’s office, the number of records reviewed, the overall quality of the records reviewed, and the dates Respondent contacted the monitor; and

More detailed information regarding the content of the monitoring report shall be provided to the monitor by the Board’s Compliance Officer or the Department’s Compliance unit. The monitor will be expected to utilize the forms and comply with the guidelines contained in these materials.

3. Obligation to report. The monitor is required to report immediately to the Board any violations by Respondent of Chapters 456 or 460, Florida Statutes, or the rules promulgated pursuant thereto.

4. Appearances. The monitor shall appear before the Board at any time
requested by the Board to answer any questions that the Board may have about Respondent. It is Respondent’s responsibility to ensure that Respondent’s monitor appears as requested or directed by the Board. If Respondent’s approved monitor inexcusably fails to appear as requested by the Board, Respondent shall immediately cease practicing chiropractic medicine until such time as Respondent’s approved monitor or alternate monitor appears before the Board, unless the monitor’s failure to appear was beyond the control of the monitor or Respondent.

5. Change in Monitor. In the event that Respondent’s monitor is unable or unwilling to fulfill the responsibilities of a monitor, Respondent shall immediately notify the Board office. Respondent shall obtain another Board approved monitor within two weeks (fourteen days) of the cessation of supervision by the previous monitor. In the event that Respondent has difficulty obtaining a Board approved monitor because of a lack of monitors in his area, Respondent shall contact the Board office who will notify the chair of the Disciplinary Compliance Committee. The Board staff or Committee Chair will seek additional monitors. Regardless of the circumstances, Respondent agrees to refrain from practice in the event that he is without a monitor for more than one month. Respondent may resume practice once he obtains another Board approved monitor.

c. Other Obligations/Requirements of Probation

1. Failure to Comply: Respondent agrees that upon a finding by the Board that Respondent failed to comply with any of the terms of this Order, the Board may SUSPEND Respondent’s license to practice chiropractic medicine until Respondent demonstrates to the Board that he is in compliance with all probationary terms.

2. Appearance Requirements: Respondent is required to appear before the
Board at any time upon request or direction of the Board. Board staff shall notify Respondent of the date, time, and place of the Board meeting at which Respondent’s attendance is required. Inexcusable failure of Respondent to appear as requested or directed shall be considered a violation of the terms of this Order and may subject Respondent to disciplinary action, unless Respondent’s appearance was excused in advance by the Board or the failure to appear was beyond Respondent’s control.

3. If the Board or the Disciplinary Compliance Committee Chairman determines that Respondent or the monitor reports are unacceptable or do not conform with the above-listed requirements, the Board retains the authority to extend the probationary period for an indefinite period of time.

d. **Continuity of Practice**

1. **Tolling Provisions.** In the event that Respondent leaves the State of Florida for a period of thirty (30) days or more or otherwise does not engage in the active practice of chiropractic medicine in the State of Florida, the following probationary provisions shall be tolled and shall remain tolled until Respondent returns to the active practice of chiropractic medicine in the State of Florida:

   a. The time period of probation;

   b. The indirect supervision, including the file review and submission of quarterly monitor reports; and

to submit reports to the Compliance Officer in the manner directed by the Compliance Officer.

keep track of their time in six-minute increments (e.g., investigators
and lawyers). A designated DOH employee in the Consumer Services
Unit, Legal Department, and in each area office, inputs the time worked and expenses spent into the Time Tracking System. Time and expenses are charged against a state health care Board (e.g., Florida Board of Medicine, Florida Board of Dentistry, Florida Board of Osteopathic Medicine), and/or a case. If no Board or case can be charged, then the time and expenses are charged as administrative time. The hourly rate of each employee is calculated by formulas established by the Department. (See the Itemized Cost Report)
