IN THE MATTER OF
MORGAN ROGERS
license no. S01574
Respondent

BEFORE THE STATE BOARD
OF CHIROPRACTIC EXAMINERS

CONSENT ORDER

Based on information received and a subsequent investigation by the Maryland State Board of Chiropractic Examiners (the "Board") and subject to the Health Occupations Article, Code Ann., §3-101 et seq., 1994 Repl. Vol. (the "Act") the Board charged Morgan Rogers, D.C., (the "Respondent"), with having violated certain provisions of the Act under §3-313.

Specifically, the Board charged the Respondent with having violated the following provisions of §3-313:

(7) Solicits or advertises in a false or misleading manner or in any other manner not approved by the Board,
(19) Violates any rule or regulation adopted by the Board;

The Board adopted COMAR 10.43.03.05 which lists prohibitions of chiropractic advertisement. In pertinent part it states:

An advertisement may not contain statements which:

A. Contain a misrepresentation of facts;
B. Are likely to mislead or deceive because in context the statement makes only a partial disclosure of relevant facts;
C. Intend to, or are likely to create false or unjustified expectations of favorable results;
F. Contain representations or implications that in reasonable probability can be expected to cause an ordinary prudent person to misunderstand or to be deceived[.]

On December 3, 1998 a case resolution was held. It was
attended by the Respondent and his attorney, Mr. Paul J. Weber; Ms. Kitty Travagline, Board Executive Director; Mr. James Vallone, Board Deputy Director; Ms. Andrea Brisbin, Assistant Attorney General and Board Counsel; Paul Goszkowski, D.C., Board member; and Lisa B. Hall, administrative prosecutor. The Board, the Respondent and the Office of the Attorney General enter into this Consent Order to resolve the pending issues and to avoid further litigation.

Findings of Fact

1. At all times relevant, the Respondent was licensed to practice as a chiropractor in the State of Maryland. The Respondent was so licensed on July 1, 1992.

2. Under §3-407 of the Act, a licensed chiropractor may use a trade name in connection with the practice of chiropractic provided that: (1) The use of the trade name is not deceptive or misleading; (2) The advertisement in which the trade name appears includes the name of the licensed chiropractor or the name of the business entity providing the chiropractic services being advertised as long as the advertisement includes the name of a licensed chiropractor. Exhibit 8 does not contain the name of the Respondent as required under the Act.

3. On Exhibit 8 the Respondent lists, among other things, that the Life Care Center for Health & Wellness performs "naturopathy." Naturopathy is not within the scope of the

practice of chiropractic in Maryland. Additionally, it is not a specialty recognized by the ACA or the ICA.

**Conclusions of Law**

Based upon the Findings of Fact, the Board makes the following conclusions: The Respondent violated §3-313 (7) and (19), to wit COMAR 10.43.03.05, of the Act by using the term "naturopathy" in an advertisement. Respondent's advertisement is further a violation of the Act in that it fails to contain the name of the Respondent or any other licensed chiropractor. Therefore the Board finds that the omission is a violation of §3-313 (7) as it is not in compliance with §3-407.

The Board dismisses the allegations of fact contained in the charging document in paragraphs 2 through 8.

**ORDER**

Based on the foregoing Findings of Fact and Conclusions of Law, it is this 26th day of January, 1999, by a majority of the Board, hereby

**ORDERED** that Respondent is REPRIMANDED; and be it further

**ORDERED** that within thirty (30) calendar days of the Order, Respondent shall submit to the Board a current curriculum vitae with supporting documentation as to hospital affiliations, school affiliations, and enrollment in degree seeking programs. Respondent shall note on the bottom of the last page of his curriculum vitae the revised date by noting the month and year of revision.
BE IT FURTHER ORDERED that in the event the Board finds for any reason that the Respondent has substantially violated any provision of Title 3 of the Health Occupations Article, Annotated Code of Maryland or the regulations thereunder, the Board, after notification to the Respondent, and an opportunity to be heard, may take immediate action or impose any lawful disciplinary sanction it deems appropriate, including but not limited to revocation or suspension of Respondent's licensee to practice chiropractic; and be it further

ORDERED that the conditions of the Consent Order be, and the same hereby are, effective as of the date of this Order; and be it further

ORDERED that for purposes of public disclosure, as permitted by §10-617 (h), Md. Code Ann., State Government this document constitutes the Board's Findings of Fact, Conclusions of Law, and Order, resulting from formal disciplinary proceedings.
