It supersedes any and all prior or contemporaneous agreements, understandings, discussions, negotiations, and commitments (written or oral). 17. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or formal proceeding, issue and enter the following Disciplinary Order:

**DISCIPLINARY ORDER**

**IT IS HEREBY ORDERED** that Dental License No. 26070 issued to Respondent Richard Thomas Hansen, Jr., is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years on the following terms and conditions.

1. **OBEY ALL LAWS** - Respondent shall obey all federal, state and local laws and all rules and regulations governing the practice of dentistry in California, and remain in full compliance with any court ordered criminal probation, payments and other requirements. A full and detailed account of all misdemeanor and felony arrests and convictions shall be reported by Respondent to the Board in writing within seven (7) days of occurrence. To permit monitoring of compliance with this condition, Respondent shall submit a completed California Department of
Justice state and federal Livescan fingerprint form, unless previously submitted as part of the
licensure application process. Fingerprint shall be submitted within 15 calendar days of the
effective date of the Decision and Order.

2. QUARTERLY REPORTS - Respondent shall submit quarterly reports signed under
penalty of perjury stating whether there has been compliance with all the conditions of probation.
Respondent shall submit a quarterly report no later than seven (7) calendar days from the
beginning of the assigned quarter.

3. COMPLY WITH THE BOARD’S PROBATION PROGRAM - Respondent shall
fully comply with the conditions of probation established by the Board and all requirements
necessary to implement the conditions of probation. Respondent shall cooperate with the Board
in its monitoring and investigation of the Respondent’s compliance with the conditions of
probation. Respondent shall respond to all requests and inquiries from the Board within the time
period specified by the Board. Upon successful compliance with the conditions of probation, and
completion of the probation term, Respondent’s license shall be fully restored.

4. ADDRESS CHANGE, NAME CHANGE, LICENSE STATUS - Respondent shall
inform the Board in writing within 15 calendar days of any change in his or her address of record,
physical employment address, physical residence address, and any legal name change.
Respondent shall maintain an active, current license with the Board, including while suspended
from practice of dentistry unless otherwise specified by the disciplinary orders. Any
misrepresentation by Respondent of his or her restricted license status to the public shall be a
violation of the probation conditions.

5. MEETINGS AND INTERVIEWS - Respondent shall appear in person for meetings
and shall be available by telephone for interviews as directed by the Board.

6. STATUS OF RESIDENCY, PRACTICE, OR LICENSURE OUTSIDE OF STATE -
In the event Respondent should leave California to reside or practice outside the state,
Respondent must provide written notification to the Board of the dates of departure and
anticipated return to the state. Respondent’s probation is tolled, if and when he or she ceases
practicing in California. Period of practice outside of California will not apply to the reduction of
the probationary period. Respondent shall provide a list of all states, United States territories, and elsewhere in the world where he or she has ever been licensed as a dentist or dental auxiliary or held any health-care related professional license or certificate. Respondent shall further provide information regarding the status of each license and certificate and any changes in the license or certificate status during the term of probation. Respondent shall inform the Board if he or she applies for or obtains a dental or dental auxiliary license or certificate outside of California during the term of probation. For purposes of this condition, non-practice due to Board ordered suspension or in compliance with any other condition of probation, shall not be considered a period of non-practice.

7. SUBMIT DOCUMENTATION - Upon request, Respondent shall submit documentation to the Board including, but not limited to the following: Livescan forms, quarterly reports, authorization for release of confidential information. Such documentation shall be submitted under penalty of perjury, as required by the Board. On a case-by-case basis, documents shall be required to contain statements relative to Respondent’s compliance with all the conditions of probation, and compliance with Board instructions.

8. COST RECOVERY – Respondent is hereby ordered to reimburse the Board the amount of $12,471.5 within ninety (90) calendar days from the effective date of this decision for its investigative and prosecution costs. Alternatively, Respondent may make contiguous monthly payments to the Board as follows: a minimum of $519.65 per month, due by the 5th of each month, starting the month of the effective date of this decision, until the $12,471.5 is paid in full. Failure to reimburse the Board’s cost of its investigation and prosecution shall constitute a violation of the probationary order. However, full payment of any and all costs required by this condition must be received by the Board no later than one (1) year prior to the scheduled termination of probation. Periods of non-practice by Respondent shall not relieve Respondent of his or her obligation to reimburse the Board for its costs.

9. PROBATION MONITORING COSTS - All costs incurred for probation monitoring during the entire probation shall be paid by the Respondent. The monthly cost may be adjusted as expenses are reduced or increased. Respondent's failure to comply with all terms and conditions
may also cause this amount to be increased. All payments for costs are to be sent directly to the 
Board and must be received by the dates specified. If Respondent is unable to submit costs for 
any month, he or she shall be required, instead to submit an explanation of why he or she is 
unable to submit the costs, and the dates he or she will be able to submit the costs including 
payment amounts. Supporting documentation and evidence of why the Respondent is unable to 
make such payments must accompany this submission. In addition to any other disciplinary 
action taken by the Board, the probationary period will be extended.

10. LICENSE SURRENDER - If Respondent ceases practicing due to retirement, health 
reasons or is otherwise unable to satisfy the conditions of probation, Respondent may surrender 
his or her license to the Board. The Board shall evaluate Respondent’s request and to exercise its 
discretion whether to grant the request, or to take any other action deemed appropriate and 
reasonable under the circumstances. Such surrender shall be accomplished through a written 
stipulated agreement, without the filing of an accusation or petition to revoke probation, and 
without further hearing. Upon formal acceptance of the surrender, Respondent shall deliver his or 
her wallet and wall certificate to the Board or its designee and Respondent shall no longer 
practice dentistry or be subject to the conditions of probation. Surrender of Respondent’s license 
shall be considered a disciplinary action and shall become a part of Respondent’s license history 
with the Board. If Respondent re-applies for a dental license, the application shall be treated as a 
petition for reinstatement of a revoked license.

11. FUNCTION AS A LICENSEE – Respondent, during the period of probation, shall 
engage in the practice of dentistry in California for a minimum of sixteen (16) hours per week or 
sixty-four (64) hours per calendar month. For the purpose of compliance with this section, 
“engaged in the practice of dentistry” may include, when approved by the Board, volunteer work 
in dentistry, or work in any non-direct patient position that requires licensure.

In the event Respondent should leave California to practice outside the state, Respondent 
must provide written notification to the Board of the dates of departure and anticipated return to 
the state. Respondent’s probation is tolled, if and when he or she ceases practicing in California. 
Periods of practice outside of California will not apply to the reduction of the probationary
period. In the event Respondent ceases to practice a minimum of sixteen (16) hours per calendar week or sixty-four hours per calendar month in California, Respondent must provide written notification of that fact to the Board. The period when the Respondent is not practicing, the minimum number of hours, will not apply to the reduction of the probationary period. Absence from practice shall not relieve the Respondent from maintaining a current license or from fulfilling all of the terms and conditions of probation. For purposes of this condition, non-practice due to Board ordered suspension shall not be considered a period of non-practice. If Respondent stops practicing in California for a total of five (5) years, Respondent’s license shall be automatically cancelled. If Respondent has not complied with this condition during the probationary term, and Respondent has presented sufficient documentation of his or her good faith efforts to comply with this condition, and if Respondent is in compliance with all other probation conditions, the Board, in its sole discretion, may grant an extension of Respondent’s probation period up to one year without further hearing in order to comply with this condition. During the one year extension, all original conditions of probation shall apply unless they have been modified by the Board via a petition for modification of probation.

12. CONTINUANCE OF PROBATIONARY TERM/COMPLETION OF PROBATION - If Respondent violates the terms of this probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may set aside the stay order and impose the revocation of the Respondent’s license. If, during the period of probation, an accusation and/or a petition to revoke probation or both has been filed against Respondent’s license or the Attorney General’s Office has been requested to prepare an accusation and/or a petition to revoke probation or both against Respondent’s license, the probationary period shall automatically be extended and shall not expire until the accusation and/or the petition to revoke probation has been acted upon by the Board. Upon successful completion of probation, Respondent’s license will be fully restored.

13. SALE OR CLOSURE OF AN OFFICE AND/OR PRACTICE - If Respondent sells or closes his or her office after the imposition of administrative discipline, Respondent shall ensure the continuity of patient care and the transfer of patient records. Respondent shall also
ensure that patients are refunded money for dental work not completed, and shall not misrepresent to anyone the reason for the sale or closure of the office and/or practice. The provisions of this condition in no way authorize the practice of dentistry by the Respondent during any period of license suspension.

14. NOTIFICATION - Prior to engaging in the practice of dentistry, the Respondent shall provide a true copy of the Decision and First Amended Accusation to his or her employer, and at any other facility where Respondent engages in the practice of dentistry. Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days. This condition shall apply to any change(s) in place of employment.

15. RESTRICTED PRACTICE - Respondent, during the period of probation, shall not be employed by, make any agreement, or contract with the Comprehensive Health Association (CHA) or any other entity or person not licensed or exempt from licensure under the Dental Practice Act (Business and Professions Code section 1600, et seq.), to provide dental services in California to consumers.

16. COMMUNITY SERVICE - Within 60 days of the effective date of this decision, Respondent shall submit to the Board, for its prior approval, a community service program in which Respondent shall provide volunteer services on a regular basis to a non-profit community or charitable facility or agency for at least 40 hours per year, for each year of his probation. Such community service may be dental related. Community service required by this condition shall be performed in the State of California. Community service performed prior to the effective date of the Decision shall not be accepted in fulfillment of this condition.

Prior to engaging in any community service, Respondent shall provide a true copy of the Decision to the chief of staff, director, office manager, program manager, officer, or the chief executive officer at every community or non-profit organization where Respondent provides community service and shall submit proof of compliance to the Board or its designee within 15 calendar days. This condition shall also comply to any change(s) in community service. All community services must be completed no later than one hundred and twenty (120) calendar days prior to the scheduled termination of probation.
