At all times material to the matter(s) set forth in this Consent Order, the Department of Financial and Professional Regulation, Division of Professional Regulation, of the State of Illinois had jurisdiction over the subject matter and parties herein.

Information has come to the attention of the Department that alleges that Respondent prescribed an excessive amount of Controlled Substances to a patient of her practice. The allegation(s) as set forth herein, if proven to be true, would constitute grounds for suspending, revoking or other discipline of Respondent’s license as a Physician and Surgeon, on the authority 225 Illinois Compiled Statutes, Paragraph 60/22(A) (5).

During the Informal Conference, Respondent provided information regarding the patient-in-question as well as described her current practice style. In addition, Dr. Davis explained the steps her practice has taken to monitor patients' compliance with medication regimen.

For purposes of this Consent Order only, Respondent acknowledges that should this matter proceed to a contested hearing, the Illinois Medical Disciplinary Board (the "Board") could find a violation of the Medical Practice Act. The Department and Respondent stipulate that the above acknowledgement is made only for the purposes of this Consent Order. In the event that this Consent Order is not approved by the Board or is not approved by the Director of the Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation ("Director"), this acknowledgement shall not be admissible in any proceeding and the matter will be set for an evidentiary hearing on the merits as if this Consent Order had not been submitted. In addition, upon approval of this Consent Order, neither this acknowledgement nor this Consent Order may be utilized in any other proceeding, except one to enforce this Agreement.

Respondent has been advised of the right to have pending allegations reduced to written charges, the right to a hearing, the right to contest any charges brought, and the right to administrative review of this Consent Order. Respondent knowingly waives each of these rights, as well as the right to administrative review of this Consent Order. Such waiver ceases if this Consent Order is rejected by either the Medical Disciplinary Board or the Director of the Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation.
Respondent and the Department have agreed, in order to resolve this matter, that Respondent, Georgia A. Davis, M.D., be permitted to enter into a Consent Order with the Department, providing for the imposition of disciplinary measures which are fair and equitable under the circumstances and which are consistent with the best interests of the people of the State of Illinois.
