RE: Physician's and Surgeon's Certificate No. G 60527
Case Number 05-2013-230403

Public Letter of Reprimand

An investigation by the Medical Board of California revealed that your diagnosis of “adrenal burnout” by interpreting an adrenal stress index indicates a simple departure from the standard of care. This action is in violation of California Business and Professions Code Section 2234 (c) - repeated negligent acts.

Pursuant to the authority of the California Business and Professions Code Section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.

A handwritten signature in black ink, which appears to read "Kimberly Kirchmeyer".
