STIPULATED SETTLEMENT AND DISCIPLINARY ORDER (10-2009-200762)
CULPABILITY

8. Respondent does not contest that, at an administrative hearing, complainant could establish a prima facie case with respect to the charges and allegations contained in Accusation No. 10-2009-200762, and that he has thereby subjected his Physician's and Surgeon's Certificate No. G67075 to disciplinary action.

9. Respondent further agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Medical Board of California, all of the charges and allegations contained in Accusation No. 10-2009-200762 shall be deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any other licensing proceeding involving respondent in the State of California or elsewhere.

10. Respondent understands that by signing this stipulation he agrees to be bound by the Board's imposition of discipline as set forth in the Disciplinary Order below, without further process.

CONTINGENCY

11. The parties agree that this Stipulated Settlement and Disciplinary Order shall be submitted to the Board for its consideration in the above-entitled matter and, further, that the Board shall have a reasonable period of time in which to consider and act on this Stipulated Settlement and Disciplinary Order after receiving it.

12. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and Disciplinary Order, the Board may receive oral and written communications from its staff and/or the Attorney General's office. Communications pursuant to this paragraph shall not disqualify the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving respondent. In the event that the Board, in its discretion, does not approve and adopt this Stipulated Settlement and Disciplinary Order, with the exception of this
paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and shall
not be relied upon or introduced in any disciplinary action by either party hereto. Respondent
further agrees that should the Board reject this Stipulated Settlement and Disciplinary Order for
any reason, respondent will assert no claim that the Board, or any member thereof, was
prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Settlement and
Disciplinary Order or of any matter or matters related hereto.

ADDITIONAL PROVISIONS

13. This Stipulated Settlement and Disciplinary Order is intended by the parties
herein to be an integrated writing representing the complete, final and exclusive embodiment of
the agreements of the parties in the above-entitled matter.

14. The parties agree that facsimile copies of this Stipulated Settlement and
Disciplinary Order, including facsimile signatures of the parties, may be used in lieu of original
documents and signatures and, further, that facsimile copies shall have the same force and effect
as originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree
the Board may, without further notice to or opportunity to be heard by respondent, issue and enter
the following Disciplinary Order:

the Executive Director of the Medical Board may, without further notice to or opportunity to be
heard by respondent, issue and enter the following Disciplinary Order on behalf of the Board:

The respondent shall not resume the practice of medicine until enrollment or participation in the outstanding portions of the clinical training program have been completed. If the respondent did not successfully complete the clinical training program, the respondent shall not resume the practice of medicine until a final decision has been rendered on the accusation and/or a petition to revoke probation.    Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

9. **COMPLIANCE WITH PROBATION UNIT**

   Respondent shall comply with the Board’s probation unit and all terms and conditions of this Decision.

10. **ADDRESS CHANGES**

   Respondent shall, at all times, keep the Board informed of respondent’s business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).
11. **PLACE OF PRACTICE**

   Respondent shall not engage in the practice of medicine in respondent’s or patient’s place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

12. **LICENSE RENEWAL**

   Respondent shall maintain a current and renewed California physician’s and surgeon’s license.

13. **TRAVEL OR RESIDENCE OUTSIDE CALIFORNIA**

   Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

   In the event respondent should leave the State of California to reside or to practice, respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

14. **INTERVIEW WITH THE BOARD OR ITS DESIGNEE**

   Respondent shall be available in person upon request for interviews either at respondent’s place of business or at the probation unit office, with or without prior notice throughout the term of probation.

15. **NON-PRACTICE WHILE ON PROBATION**

   Respondent shall notify the Board or its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of respondent’s return to practice. Non-practice is defined as any period of time respondent is not practicing medicine in California as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All time spent in an intensive training program which has been approved by the Board or its designee shall not be considered non-practice. Practicing medicine in another state of the United States or Federal jurisdiction while on probation with the
medical licensing authority of that state or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-practice.

In the event respondent’s period of non-practice while on probation exceeds 18 calendar months, respondent shall successfully complete a clinical training program that meets the criteria of Condition 18 of the current version of the Board’s “Manual of Model Disciplinary Orders and Disciplinary Guidelines” prior to resuming the practice of medicine.

Respondent’s period of non-practice while on probation shall not exceed two (2) years.

Periods of non-practice will not apply to the reduction of the probationary term. Periods of non-practice will relieve respondent of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws (Term 7, above); and General Probation Requirements (Terms 9, 10, 11, 12, and 13, above).

16. COMPLETION OF PROBATION

Respondent shall comply with all financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the completion of probation. Upon successful completion of probation, respondent’s certificate shall be fully restored.

17. VIOLATION OF PROBATION

Failure to fully comply with any term or condition of probation is a violation of probation. If respondent violates probation in any respect, the Board, after giving respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

18. LICENSE SURRENDER

Following the effective date of this Decision, if respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy the terms and conditions of probation, respondent may request to surrender his or her license. The Board reserves the right to
evaluate respondent’s request and to exercise its discretion in determining whether or not to grant
the request, or to take any other action deemed appropriate and reasonable under the
circumstances. Upon formal acceptance of the surrender, respondent shall within 15 calendar
days deliver respondent’s wallet and wall certificate to the Board or its designee and respondent
shall no longer practice medicine. Respondent will no longer be subject to the terms and
conditions of probation. If respondent re-applies for a medical license, the application shall be
treated as a petition for reinstatement of a revoked certificate.

19. PROBATION MONITORING COSTS

Respondent shall pay the costs associated with probation monitoring each and every
year of probation, as designated by the Board, which may be adjusted on an annual basis. Such
costs shall be payable to the Medical Board of California and delivered to the Board or its
designee no later than January 31 of each calendar year.
